## Live Life Well @ School

**Finding it difficult to fit in 60 minutes of physical activity a day with your children? Then consider the following three areas -**

### Transport

Try some active ways to get to places with your children, for example, walk to school, ride to the park together on weekends or scooter to the shops.

### Play

Encourage your child to be active through play, for example, make an obstacle course in the backyard that includes running, jumping, skipping, throwing and hopping.

### Sport

Find an organised sport that your child is interested in and encourage their involvement, for example, swimming, soccer, netball or dance.

## YEAR 6 FAREWELL
