## Newsletter No. 30 - 19th November

Greetings,

### **FRUIT FOR OUR SCHOOL**

Fantastic news for our school this week. Our friends at Woolworths, Park Avenue have informed us that they are keen to continue with their support of our school next year with fruit for our Crunch & Sip Program and bread for our Breakfast Club. Thank you Woolworths, that really is great news and we really appreciate your support.

### **REPORTS**

As you would be aware, teachers are presently very busy working through student reports. These reports will be distributed to parents in the near future and are a great opportunity to talk with your child about how they are going at school and to congratulate them for the many positive aspects that will be highlighted. It also gives parents and teachers the chance to outline any concerns and hopefully, put in place some kind of a plan to address given areas.

### **ENROLMENTS FOR 2015**

We are currently in the process of organising our 2015 school year at Tyalla Public School. This is always a huge consideration as we plan class groupings, teachers, rooms and all the necessary organisation that comes with a busy school.

If you have a child that will be starting Kindergarten next year, please come into the school and enrol them as soon as possible as it allows us to gain a better picture of 2015 and also enables you to take part in the range of Kindergarten transition activities that we have planned.

### **INTERNET SAFETY**

Safe internet use for children at home is an increasingly important aspect of parenting. A recommended source of advice is [www.cybersafety.com.au](http://www.cybersafety.com.au). A further tip on how to limit content accessed via iPads is available at <http://support.apple.com/en-us/ht4213>.

### **LOST PROPERTY**

We have numerous items appearing in lost property with no names on them. If items are unnamed we cannot return them to their owners. Please put your child's first and last names on all items.

### **STOP! LOOK! LISTEN! THINK!**

Every time you cross the road, young children require active supervision whenever they are in or near traffic. This applies to all children until at least ten years of age.

Have a great week,

Stewart Copeland  
**Principal**
