We acknowledge the Gumbayngirr Peoples as the traditional custodians of our School lands

Newsletter No. 17 - 23rd July

Greetings,

Things are getting very hectic at Tyalla at the moment as we gear up for a truly tremendous term at our fantastic school.

Last week we celebrated NAIDOC Week at Tyalla. This was a really enjoyable time and it was great to acknowledge the local Aboriginal culture. Thank you to everyone that came into school and made this a huge success, to Glenda Perkins who co-ordinated these events and to Centrelink who volunteered to assist on the Friday. Your support is very much appreciated and I thank you for this.

This week we are focusing on the importance of our environment with a particular focus on school beautification. To promote the care of our natural environment, Tyalla will celebrate National Tree Day by cleaning up our school grounds and gardens.

On Friday we will be planting some trees and shrubs around the school. I would like to thank Woolworths in Park Avenue who have generously donated trays of plants for us to use here on the school site.

Next week is that extra little bit special as we celebrate Education Week and use the opportunity to showcase the wonderful achievements and talents of the students at our school. Each family will receive an invitation to attend events shortly. Below is a brief summary of some of these happenings. We would love to have your support and look forward to a very positive time.

Monday	This is the grand opening for Education Week in Coffs Harbour and we will be celebrating with a Concert at Park Beach Plaza where local public schools will be showcased. We will be treated to performances from our Drummers, Guitarists, Dancers and Hoopers commencing at 11.40am.
Tuesday	Dance classes will also perform at school for interested parents. The following will be on show: 12:00pm – KMW 12:40pm – 6RO 1:50pm – 3SF 2:30pm – 5AR
Thursday	We will be having a Bike Safety day at nearby Lions Safety Park to highlight the benefits of physical exercise for a healthy mind and body, but also to focus on the importance of safety and bike maintenance. This will be for children in Years 4, 5 and 6 and will include an information session by the Police.
Friday	Education Week Assembly on Friday morning at approx. 9:20am. This will be a time of reflection and acknowledgement. We will be handing out a number of awards and will also be entertained by some of our student performance groups. Following the Assembly, parents may wish to visit their child's classroom and see some of the great work that is going on throughout our school.
