Newsletter No. 6 - 9th March

Hello/Ginagaay,

As mentioned in our last newsletter, Mr Copeland will be taking leave until the end of week 10. We wish Mr Copeland a very enjoyable break.

GENERAL REMINDERS AND INFORMATION:

Health Care Plans

It is a requirement upon enrolment that parents inform the school of any medical conditions that require management at school. The information provided is treated sensitively and in confidence. From the information provided a Student Health Care Plan is developed. In the near future, parent/carer-teacher interviews will be occurring. During this time it is essential that any child with a Health Care Plan review the plan to ensure all information provided is current. Notes will be sent home advising of Term 1 interviews in the very near future. For our newly enrolled Kindergarten students, appointments will be made to develop the plans in week 8 and 9 with myself and the classroom teacher.

Appointments

Teachers often have meetings and are busy preparing for lessons at the beginning and end of each day so it is not always possible for teachers to meet with parents/carers outside of an appointment. If you wish to catch up with your child's teacher for any reason please contact the office and we will take your details so that the teacher can call you at their earliest convenience to arrange a suitable time for everyone. During term 1, teachers will provide parents with general times that they can make an appointment. If these times are unsuitable other arrangements may be able to occur. If you have an issue regarding **your child, your first point of contact is your child's teacher.** The Principal can further assist if required.

Easter Hat Parade and Easter Raffle

Our Easter Hat Parade will take place on Wednesday, 23rd March commencing at 9.20am. The Easter raffle will also be drawn at the Parade - not on Thursday as mentioned on raffle books. Apologies for any inconvenience.

Visitors on School Grounds

Outside of drop off and pick up, parents/carers/volunteers are required to visit the school office to be signed in and collect a visitor pass should they need to visit the school for any reason. A red and green lanyard will be issued and needs to be returned when leaving.

Scooters

Students of Tyalla Primary School are not permitted to ride scooters to school. Please ensure your child does not ride a scooter to school.

Have a great week.

WHOOPIING COUGH

Whooping Cough (Pertussis) is once again in our school community. Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully vaccinated children. Older children may just have a cough that is persistent and may be worse at night. Children with these symptoms should see a doctor. If your doctor diagnoses Whooping Cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics.

For more information please contact your doctor, local public health unit or community health centre. Look under NSW Government at the front of the White Pages.

HEAD LICE

There have been several cases of head lice reported in recent weeks. Please ensure you are vigilant in checking your child's scalp and hair and seek treatment advice from your local chemist if eggs or lice are detected. Thank you.

Let's make this year the biggest ever! Keep your eye out for raffle tickets. If children are selling tickets outside the home please ensure they are accompanied by a responsible adult.

Note: The raffle will be drawn on Wednesday, 23rd March at the Easter Hat Parade, not Thursday as mentioned on raffle tickets. Apologies for any inconvenience.

The canteen will be offering a special Easter Meal Deal! Notes will be sent home soon. Please support Hallie and the canteen by taking part in her special Easter meal deal.
