Newsletter No. 19 - 3rd August

Greetings,

REMINDER FOR COFFS CUP DAY - TOMORROW, THURSDAY, 4TH AUGUST

A reminder that **Tyalla Primary School will only be operational for a half day TOMORROW**, Thursday, 4th August due to the running of the Coffs Cup. The school will be closed from 12.00pm tomorrow and buses will not be available to take students home. Parents/carers need to organise alternate transport for their children and ensure that they are picked up no later than 12.00pm. There will be no teacher supervision after this time.

EDUCATION WEEK - 'Shared Stories, Better Learning, Stronger Communities'

This week sees our annual Education Week celebration with the theme of 'Shared Stories, Better Learning, Stronger Communities'. At Tyalla Primary School, the stories of our community infiltrate every lesson and every playground game. Our stories of sport, family, community, holidays, mums, dads, pets, brothers and sisters all combine to create the dynamic learning environment we have.

Building upon these stories is the learning that occurs both inside and outside the classroom. Learning in literacy, numeracy, science, PE, history, geography and of course, relationships reflect our stories and work to create a strong school community where

we all have a common goal and shared values.

Tyalla as a school in the vibrant location of Coffs Harbour has everything it needs. A great shopping centre, library, sporting fields, churches and of course a wonderful school. In fact, it is the shared stories, better learning and stronger community that brings so many to this area.

We are indeed lucky to have what we have and it is on days like Education Week Open Day that we get to say thank you and celebrate the wonderful community we live in and the wonderful school that we have. I am very proud to be Principal of Tyalla Primary School and to be able to work with the very supportive school community that we have.

HEALTHY LIVING

As you would know, our school is a very active advocate of healthy living and a great number of our lessons revolve around the importance of maintaining healthy nutrition. In addition, we regularly supply fruit to children as part of their 'crunch and sip' breaks each day.

I'd like to put this thought out about kids having a snack. Instead of providing savoury or sweet biscuits or a piece of cake as a snack all the time, try a piece of vegetable (carrot, broccoli, snap peas, capsicum, etc) or a piece of in-season fruit.

The message about healthy eating is to try and reduce eating processed foods all the time and get a balance going between both. Who knows, before long the processed foods may become a rare thing in the household.

Have a great week.

P&C NEWS

Dear Parents/Carers,

The P&C meeting was held on Monday night. At the meeting we set the date for this year's Father's Day Stall. It will be held on Friday, 2nd September. If you are able to help it would be very much appreciated.

A decision was made to investigate the cost of shade sails over the playground equipment, refreshing old paintings around the school and the possibility of a new one too. Keep a look out!

Lastly, I would like to call out for new members. The P&C is a small dedicated group of parents but we need more members. If you're interested please see one of our members.

COFFS HARBOUR BASKETBALL ASSOCIATION

Dear Parents/Carers,

Your child has last term attended a Basketball Coaching session through the Aussie Hoops Program brought to your child's school through the Australian Sport Commission Sporting Schools project.

Coffs Harbour Basketball Association (CHBA) coaches conducted the sessions over a 6-8 week period and the vast majority of the children loved the game of Basketball.

CHBA would like to have some teams represent Tyalla School in the Saturday morning Primary School Basketball Competition. The age groups available are Fun Ball Mixed Competition (Year 1 and 2), Boys and Girls (Year 3 and 4) and Boys and Girls (Year 5 and 6). We also conduct learn to play basketball sessions through the Aussie Hoops Program on Saturdays. If your child is interested in playing in a team please contact Carlee at CHBA via the email: Carlee@coffsharbourbasketball.com.au.

We also need some parent/carer helpers to get the children organised and into teams, and to coach the teams (CHBA will provide training). If you are able to assist please contact Blake Kelly via email: info@coffsharbourbasketball.com.au.
