Newsletter No. 23 - 31st August

Greetings,

TYALLA SHOWCASE

It was great to see the preparations for this year's Tyalla Showcase taking shape yesterday. The hard work and intense preparation was offset by the pride and enjoyment that was so evident in the faces of the children as they proudly strutted their stuff. Special thank you Mrs Minter who is co-ordinating this exciting event.

PLEASE SEE THE TEACHER

I would like to ask that if there is a problem at school or you would like something clarified, please take the time to speak with your child's teacher in the first instance as they are working with your child daily and have a very good understanding of the classroom dynamics and relationships.

RECOGNITION OF STAFF

I am very proud of the staff at my school. They are a very hard working and dedicated bunch of people whom I am very fortunate to have. This week we give recognition to non-teaching staff in our schools (Administration Staff, Student Learning Support Officers, Aboriginal Education Officer and General Assistant) for all their hard work. Thank you SASS staff. The SASS staff work very hard in and around the school and support the school in so many ways and it is very much appreciated.

THE SHOW & SHINE IS COMING!

As you would be aware, our Tyalla Show & Shine will be on in the upcoming school holidays and it promises to be a great occasion – as well as raising much needed money to support our intensive swimming program. Today I include a poster that outlines the great prizes that are on offer with our raffle this year. There is going to be one very lucky winner!

HAPPY FATHER'S DAY

Finally, Happy Father's Day to all our fathers, grandfathers, uncles and other role models who fill the role of 'dad' in our children's lives. We wish you a happy, relaxing day on Sunday.

Happy Father's Day

Have a great week.

MIKAYLIE (2KB) AND HER MUM SHARE A STORY WITH US ...

Once there was a monster called Hug.

All the people in the village were scared of him. He had sharp teeth and big long claws.

One human called Harry was not afraid of Hug so he decided to go and talk to him. This made Hug very happy and they shared lots of funny stories.

When Harry went back to the village he told everyone how friendly Hug was. All the people were glad to hear this and couldn't wait to meet him and share their stories too.

Soon enough, the whole village was lined up to meet Hug. After they all met him they decided he was a friendly monster and they asked him to come and live in their village.

Hug and the humans lived happily ever after.
