Welcome to Week 10!

Dear Parents/Carers,

We have seen some excellent growth in both student outcomes and positive behaviour during the year. I would like to congratulate all the students for their dedication to their learning and kindness to self, others and teachers. School holidays commence on Saturday, just in time to enjoy this spectacular spring weather. I hope everyone finds time to enjoy the company of friends and family and has a happy and safe holiday.

Thursday 22 September 2022 has been declared a National Day of Mourning for Her Majesty Queen Elizabeth II. NSW public schools will be non-operational on Thursday and there will be no staff or supervision available on school sites. Normal lessons will resume Friday 23 September.

We have several celebrations happening this week. Milo and Mufti will be on Wednesday for classes who have reached the target of 60% of the class attending 90% during the last five weeks. A post will be put on Facebook and a note will go home on Tuesday to let parents know which classes are involved.

On Friday we will be having a PBL rewards day. It will be a **Colour Day** and students can wear as many colours as possible. At Tyalla Public we teach Positive Behaviours for Learning (PBL) and reward students for showing respect, responsibility and resilience.

For the safety of all students, we are reminding parents and carers not to use the staff carpark when dropping off or picking up children. The only exception is for parents and carers of children with disabilities who can use the reserved disabled parking spaces when a permit is displayed.

BREAKFAST CLUB

Thank you to OzHarvest, Bakers Delight and Woolworths who help us to run a successful Breakfast Club and ensure no child goes hungry. Lots of our students love a second breakfast too! Our volunteers and staff do a marvellous job and we appreciate you.

Play Time!

Here at Tyalla we are very fortunate to have a variety of wonderfully resourced playground areas for our students to enjoy. Here is a glimpse of our early morning playtime before school and the variety of activities on offer that children choose.

Play Time!

There is playground equipment, extensive playing fields and many shady trees with seating underneath. School Learning Support Officers and Teachers provide supervision at each play and break time in all zoned areas.
