WE ACKNOWLEDGE THE GUMBAYNGGIRR PEOPLES AS THE TRADITIONAL CUSTODIANS OF OUR SCHOOL LANDS 26/06/2023

From the Relieving Principal's Desk...

Dear Parents/Carers,

Welcome to Week 10.

What an awesome week we had at Tyalla last week with all of the events that our school and community were involved in. The Athletics Carnival was a huge success, with our student participation very high. It was a great day enjoyed by all.

NAIDOC celebrations on Wednesday were huge! We welcomed many community members to celebrate our elders, with singing performances by our students, dances lead by Auntie Gloria and Uncle Troy, One Mob radio and a huge feast provided for us by the P and C. It was an uplifting gathering.

The Winter Carnival was thoroughly enjoyed by our 3-6 students. They participated with other local schools in sports, at locations off the school site.

They proudly represented Tyalla and were both respectful and responsible.

Tyalla school reports will be coming home this week with your child. Please look out for these and contact the school if you have any questions surrounding your child's report.

This Friday we will have a Positive Behaviour for Learning celebration. A note will come home regarding this. Ask your child about our PBL focus this week.

Our class attendance will be calculated on Friday and classes will celebrate high attendance in week 1 next term. Attendance continues to be a focus at Tyalla. Please ensure your child attends school everyday, unless they are sick.

Have a safe and revitalising holiday break. We look forward to learning with you next term.

Please check lost property in the hall if your child is missing items. Any unclaimed items which are not labelled will be laundered and put into our second hand clothing pool if unclaimed by the end of this term.

Please ensure you label your child's belongings as it makes it much easier to reunite them with their owner.

Mr Ian Gillespie
Teacher

Hi, my name is Mr.G and I have been a teacher for about 16 years. In that time I have taught many of the wonderful Tyalla children, and even taught across generations. My wife is also a teacher. I am a dad of three beautiful girls. Ellie who has just become a mum to our beautiful granddaughter Milly. Tahlia who is just about to complete her occupational therapy degree and Brianna who is studying psychology. I love fishing and flying my drone. I especially love fishing with my drone. I also love to write and am currently writing for the Woopi News and the Sawtell News. I love seeing the smiling faces of the children here at Tyalla and love to hear their laughter. Let's all be proud of our wonderful school.

Coffs Harbour High School Year 7, 2024 Enrichment Class

The Year 7 Enrichment Class at CHHS is designed to:

- provide the appropriate level of academic challenge for students with above average academic achievement
- promote a positive work ethic which encourages all students to achieve to their full potential with like-minded peers
- enhance innovation, collaboration and creativity in learning
- provide a variety of challenges, through extension and enrichment activities, which utilise higher order thinking.

For further information and an application form please visit the CHHS website.

Applications close Friday 30th June (last day of term 2). Please note, students need to have been successfully offered enrolment at CHHS school before they apply.
