Week 8 - 12th September,

FROM THE DESK OF OUR PRINCIPAL

Welcome to week 8,

This week some of our staff have had the opportunity to attend **Connecting to Country**, an Aboriginal community cultural awareness teaching programme. This programme provides teachers with the unique opportunity to engage directly with Aboriginal Elders and people in our community to learn about our local Aboriginal culture, history and social experiences.

Our **Indian girls dance group** will be performing again on Friday and also at The Curry Festival. Thank you to all the parents who have assisted in transporting students to the various venues over the last few weeks. Congratulations girls and Mrs Booth on your continued rehearsals and polished performance. We are looking forward to watching you perform at our assembly in Week 9.

Week 10 will see the Stage 2 and 3 STEM groups holding the **Farmers Market Day**. Students in these groups have enthusiastically organised a stall with excellent business and team work skills. There will be lots of delicious food, drinks and activities for sale on the day.

I would like to take this opportunity to personally thank **OUR LOCAL COMMUNITY BUSINESS'** who have donated produce for the day.

All PARENTS and COMMUNITY are Invited to attend this event

Raising Money for The Farmers

Have a great week.

Stephanie Devereux

Stage 2 Assistant Principal

P&C NEWS

The P&C are a group of parents and friends of Tyalla that get together with our Principal each month to support our students.

Some of the fundraising activities that the P&C have undertaken this year are organising the mothers & fathers day stalls, applying for a grant to partly fund our NAIDOC day lunch & organising the upcoming school fete.

The P&C have also financially contributed by donating money towards the swimming program to keep it affordable, new play equipment (coming soon), paying for the transport for outings like the Butterfly House excursion, contributing to a new LED sign out the front & more.

Whilst Hallie is our canteen manager, it is the volunteers from the P&C who are behind the scenes and run the business of the canteen.

We do it because we love it. If you ever want to join us, please come along to a meeting or leave your details at the office.

Got It! Tip of the Week

Help your child to use words to describe how he is feeling in the moment. You might say something like, "It seems like you're feeling a bit worried". Providing words can help him to feel understood. It helps him to know that emotions are a normal part of everyday life and that they can be handled. Labelling emotions can also help him to bounce back more quickly when he is feeling upset. Be aware of not telling your child how he *should* feel, but helping him develop a vocabulary to express his emotions.

(BOOK *Raising an Emotionally Intelligent Child: The Heart of Parenting* by John Gottman)

Drought Fundraiser Tyalla Cares Market Day September 26th 10am-12pm

STUDENT DONATION REQUESTS

PUTT PUTT MARKET STALL

We are students from Tyalla public school. Our STEM group contains Sean, William, Brendon and Jayden. For our Market Day fundraiser we will run a lemonade stand & a Putt Putt course.

We would like to ask if you could donate some spare cardboard to make our Putt Putt course.

Our donation box will be in the hall.
Thank you for your time.

BEAD KEYRING MARKET STALL

As this terms STEM project 5/6KL and all of Stage 2 are planning a Market Day to raise money for the NSW farmers suffering from the drought. We plan to create a stall where people can come to make their own key ring.

If possible could you please donate some beads

In the office there will be a cardboard box as you walk in on your left. Please put your beads in there carefully. Thank-you.
Emily, Harmonie, Kahtijah and Mia.

We need donations of bottles & cans that are part of the 10c refund program.

Please bring them to the canteen. Money collected will be used towards setting up the market stalls.
